

# IBM Software University 2015

## WebSphere Technical University PLUS

Mobile, BPM, Cloud, Integration, Application Platform, IBM z Systems and Digital Experience

13 - 16 October 2015 | Dublin, Ireland

The [IBM Software University 2015 | WebSphere Technical University PLUS](#) will deliver in-depth technical content targeted at architects, developers, integrators and administrators by offering lectures and hands-on labs to expand your knowledge and expertise on the latest technologies, trends, tips and techniques.

Explore innovative capabilities and take a deep dive into growth-fueling technologies including WebSphere Application Server, WebSphere connectivity, such as WebSphere MQ and IBM Integration Bus, CICS, WebSphere on System z, DataPower and API Management, cloud computing, Mobile, BPM and Decision Management.

**This conference delivers over 120 in-depth technical sessions and hands-on labs across the following conference tracks:**

- **Mobile Enterprise** - including the IBM MobileFirst Platform Foundation.
- **Smarter Process** - including IBM Operational Decision Manager, IBM BPM and IBM Business Monitor.
- **Cloud** - including IBM Pure Application Systems, IBM Bluemix and SoftLayer.
- **Application Infrastructure** - including WebSphere Application Server, IBM MQ, MQ Light, Managed File Transfer, and Advanced Message Security.
- **Integration** - including IBM Integration Bus (formerly WebSphere Message Broker), DataPower, API Management and Cloud integration services on Bluemix.
- **System z** - including the newest CICS enhancements, the program development tools, WebSphere Application Server, WebSphere MQ and z/OS Connect.
- **DevOps & Continuous Engineering** - best practices and insights for building a trusted foundation for cloud, big data, social and mobile.
- **IBM WebSphere Portal and IBM Web Content Management**  
Your conference registration also provides access to 100 sessions of the co-located [IBM Digital Experience 2015 – European Conference](#).
- **IBM Commerce** - including IBM WebSphere Commerce, IBM Sterling, B2B Integration and Managed File Transfer.  
Your conference registration also provides access to 100 sessions of the co-located [IBM Commerce Learning Academy 2015 - Europe](#).

### Top 5 reasons to attend:

**Upgrade your IT skills: Training is the key to success.** Get up to speed on the latest technologies, trends, tips and techniques - direct from IBM.

**Select from over 120 in-depth technical sessions and labs.** Expand your skills in the area of your choice with a variety of elective sessions for every level, from new user to expert.

**Gain varied practical experience and get involved.** Test-drive the latest technologies through hands-on labs. See leading-edge demos at the Solution Center and discuss the latest solutions. Gain exclusive insights into best practices projects and real-life applications by customer speakers.

**Take advantage of the numerous networking opportunities.** Exchange ideas and interact with peers, leading-edge thinkers, technology gurus and experts from IBM. Connect with a broader IBM ecosystem to explore how you can get even more return on your existing IBM investments.

**Certify your skills onsite.** By taking an IBM certification test onsite, you will be able to validate your skill set and demonstrate your proficiency in the latest IBM technology and solutions.
