Cognos® 8 BI Training

The most recent version of Cognos® 8 Business Intelligence was launched January 15, 2008.

Cognos® 8 has won several awards including:

- eWEEK Excellence Award in Analytics and Reporting
- LOTUS ADVISOR "Editor's Choice" Award
- TechTarget's SearchCRM.com 2005 Product of the Year.

Cognos 8 BI provides a complete collection of BI capabilities in one product, on one architecture. Cognos® 8 BI delivers a simple interface for all users, authors, and administrators. Cognos® 8 BI delivers a simplified BI environment that drives high user adoption, enables better decision-making, and serves as an enterprise-scale technology foundation for performance management, now and going forward.

LearnQuest is the premier training provider of Cognos® 8 Business Intelligence Training. Our proprietary curriculum was created by leading experts and can be customized to your training needs. Cognos® 8 BI training is available for private on-site instructor-led classes or through our virtual Live Web Based Training. LearnQuest also offers its proprietary Cognos courseware for sale.

What's New in Cognos® 8 BI?

- Express authoring mode
